brielle95 [Block User](#) weow i really like this piece if its ok for you..could you
send me the sheet??

EvilRosewood [Block User](#) This is great, and I got the intro really easily
because you separated the hands, but the rest of the song was just you
playing it slowly so was a little harder to follow. If you just went through
each hand slowly then both together slowly, I think that'd help.

Just trying for a *useful* comment :)

[montvale](#) [Block User](#) People always say "I'm not a teacher", but I really believe that we are ALL teachers when we pass on knowledge, instruction, or assistance, to each other. You are a teacher, iraiscoming223, and thank you - we're practicing this one, too. :) 2 🍀

[brittandtay4ever](#) [Block User](#) Thats beautiful!!!! 2 👍

[daniel11vallejo](#) [Block User](#) can you send me the the copies for the notes 2 👍

[einjhelrain](#) [Block User](#) i think you're good... and dis vid is a lot o help 3 👍

[webeffect](#) [Block User](#) The black keys are your friend: they make a difference. That's why the composer decided they should be used. 2 👍

[webeffect](#) [Block User](#) [show](#)

[iraiscoming223](#) Well, I guess people can choose whether to learn this version or the real one, no one needs your comments written in such a rude way. You can comment for sure, telling me you don't like it - and that's ok - but please LEARN TO BEHAVE. Thx and cheers! ;)

[michaeldh0](#) [Block User](#) webeffect, if you think that then keep you stupid opinions to yourself because no one cares ok ? it sounds just as good in other people's opinions! how can you be so arrogant and pig headed to type something like that? some people watching this are not experts in playing the piano so next time if you have something bad to say then keep it to yourself! i bet you only wrote that comment because you cant play the piano or find this "too complicated" nevermind "simple"

[redclouds0816](#) [Block User](#) Very nice. Do you mind sending me the notes please?

[Fulminix](#) [Block User](#) Good really good!
I love that music! Can you send the sheet music? please ^^

[iraiscoming223](#) errrr... this is a secret... a little trick! ;) Just kidding... Anyway the camera is in fact my mobile phone and the only way I found to set it is to take a badminton racket and put the phone on it.. :P Quite ridiculous, uhu? LOL

[Nickmitchell1984](#) [Block User](#) oh lol ill have to try it.. but what holds the racket up :s cheers

[iraiscoming223](#) the book of the beauty and the beast!! LOOOOOL

[Nickmitchell1984](#) [Block User](#) Hmmmmmm so the handle im guessing is off a shelf or summit lol

sojatofu **Block User** i love it...

finalylove **Block User** THANKS! HEHE ^^ anyway i'm studing now with a teacher so it's much easier now

missroboto **Block User** can you say the notes outloud as you play? like C, D,...

iraiscoming223 Well, I tried to do that, but it's quite hard to speak while playing... I can do it one by one, but I don't think that would be really useful... Try to read the sheet (you can take it from my site), I think that would be much more useful! :) And if you have any question just post it here! :)

iflatlandi **Block User** sweet

littlerock1993 **Block User** GRAZIE MILLE

xboybogdan **Block User** hi,i love your videoo.....i need some help.i want to play this song(or if you have a better one,,,p,lease tell me)to my best friend song,,,,,but i need the sheet music....it is posible some how to send it to me..please !

iraiscoming223 Hi there! Of course you can take the sheet from my site! Check out the address on my profile description! ;)

finalylove **Block User** hey! wow you're awesome! ^^ I want to get started on the piano, do u suggest this song to begin with? ...sorry for my little English, I'm from Argentina hehe kisses

iraiscoming223 Hi there! This is not hard to play, but of course I won't suggest it as the first song... Have a look around (google a bit :P) and you'll find out a lot of "first steps piano" for free! Uh, finally: don't follow those video who pretends to "teach" piano just by showing you the keys to be pressed: you won't learn anything but the song of that video! ;) If you have any question just ask it here! ;)

wadsup26 **Block User** its very nice and beautiful. thks man!
btw, can u send me the score sheet for this song?
i would really appreciate dat!
i really hope u can send me!

iraiscoming223 Hi there! You can fetch the score from my site. Check the address in my profile, cause I'm not allowed to post any URL here! :) Thanks for watching! ;)

ColinMeloy91 **Block User** yOU ARE GREAT AND VERY HELPFULL
THANK YOU.

iraiscoming223 glad to have been useful! ;)

Metalcarus **Block User** Excellent lesson it was easy to understand and set at a nice pace.
I'd say that if you can't learn this song from a lesson given such as this... you probably shouldn't be playing piano.

iraiscoming223 wow thank you! I'm very happy to hear this!! ^^ =)

jenarete **Block User** thank you form spain!

pascaweb **Block User** thanks man! im learning and this is great to begin with....besides I love that songgreetings form Bogota, Colombia

Lika51 **Block User** It's beautiful! I did it with your help! Thank's a lot!!!

And thank you for watching! ;)

strecos **Block User** wow you are amazing!

[luismoura3](#) [Block User](#) Hum...Thank you. I will try to learn by the video. Thank's a lot.

[luismoura3](#) [Block User](#) You did the left hand by yourself, or we can make it by the book ? I don't understand, cause i'm a begginer...

[iraiscoming223](#) I did it by myself.. The only thing I followed was the melody..

[luismoura3](#) [Block User](#) Hey nice job. Can you please send me the sheet music for this song ? Please, i would so much to have it. Thank's.

[iraiscoming223](#) you can find it on my site! Check out the address in my profile! :)
And thank you for watching! :)

[ensata](#) [Block User](#) (h++p)(two points)(twobars)img234(point)i mageshack(point)us(bar)img234(bar)723(bar)dibujocc0(point)png

What's this could you write this into notes?

thankx

[iraiscoming223](#) it sais "the image does not exists".. Are you sure this is the right address? Cause I checked it twice and it's always the same... O.ò
Want to write me via e-mail? If it's so I'll send you a pm... Just tell me...
(By the way, why my YouTube turns itself into Spanish language?! O.ò)

[xiaonansheng](#) [Block User](#) wow! you are so great! thank you for teaching me the song, I love this song sooo much, I'm 6 years old, can you give me the music sheet so i can learn this song, please! thank you. my name is liz.

[iraiscoming223](#) hi there! you're so young! :) I guess you will play a lot better then me, if not now, in a year or two! :)
You can take the sheet of this song from my site (check out the address in my profile's description). Let me know if you have any problem! :) Good luck and I'm waiting for your video! :)

[silkitas](#) [Block User](#) :o u play like a good!

[Miss09Initiative](#) [Block User](#) hey that was great !...you put the cam in a very good angle...now please do moooooore videos i love learning piano on youtube :D ...if you could do a hilary duff's song it would be great..."fly" is a great song, or "someone's watching over me" ...or another disney song would be great...thank you =)

[iraiscoming223](#) hi there! Thanks 4 the comment! :) I'm on the busy side with the university right now... I'll do my best, but I can't promise anything!
^^'

[soccerplyr15](#) [Block User](#) I'm having trouble playing one piece of the song on one hand and something else on the other. do you have any advice?

[iraiscoming223](#) which part? If I can help you I'll do it of course! :) If you got my score could you please tell me the page/row?! it would be easier (or just tell me the time on this video, as you prefer!)

[soccerplyr15](#) [Block User](#) Well the problem is I can't get to the score on your website, so I can't get the finger timing properly.

[iraiscoming223](#) why not? I've just tried, it works properly...
try this one: (double v)(double v)(double v)DOT wannanic DOT com/share/beautybeast.pdf

[soccerplyr15](#) [Block User](#) When I try to open the file, something about downloading a new version of Adobe Reader comes up and the computer freezes.

[iraiscoming223](#) -- I *hate* windows... this is the reason why I switched to linux... Uhm... How can give it to you, then? Have you tried to upgrade adobe manually? if you have any good idea on how to get the sheet i will help you... Tell me which part are you having problems with, I'll take a screenshot of it in the meanwhile..

[soccerplyr15](#) [Block User](#) I can't even get to the first page.

[iraiscoming223](#) no no I understand that... just, which piece of the song? Don't know, tell me the time on the video, or the words in the lyrics, so I can find that point.. :)

[soccerplyr15](#) [Block User](#) The intro.

[iraiscoming223](#) ok, check out this: (double v)(double v)(double v) DOT wannanic DOT com/share/intro.gif

soccerplyr15 **Block User** I think it worked. I got a screencapture of the intro. But it looks like only one part of the staff, or one hand, if you will...just the CFCF part

iraiscoming223 yes it is... this is all I have... the video explain how to play the left hand.. (or not?! O.o)

soccerplyr15 **Block User** Thank you!!

Quky11370 **Block User** Thank you so much for this video. It is nice to see it and maybe one day I will learn this song. For sure this video will help me. Many regards

bandasanisidro **Block User** you can download a lot of songs to piano of disney in emule or other program for downloading

iraiscoming223 well, as long as I believe in authors works, I prefer not to download scores. I mostly rearrange guitar chords found around on the internet (free stuff, I mean!). I would appreciate other people to sustain my work, if I'm gonna do something someday. :) Thanks for the advice, anyway! :)

xlivvyx **Block User** hey please could you send me the music to this?! xxx

iraiscoming223 check out the address of my site, you'll find the score there! ;)

debauchariat **Block User** Yeaah Good play =)
Can u send me a copy ??

Thhxxx !

iraiscoming223 Yep! You can get it in my own website! Check out the address in my profile's description! :)

sharinganqueen **Block User** Oh thank goodness, I finally found someone who goes step by step for this song. i've been dying to learn this song, thanks for putting this up. you play really really good. ^_^ take care!

KanuTGL **Block User** Thank you very much for uploading this =D It's the exact song I've been looking for!

iraiscoming223 Eheh happy learning, so! ;)

nickmarwin **Block User** The super mario theme I like is the theme on level 1.

nickmarwin **Block User** I have a favor can you make a tutorial for super mario theme song.

PPPPLLLLLEEEEEAAAASSEEE!!!!!!!!!!!!

iraiscoming223 Which one do you mean? Super mario has actually *more* than a song. Could you please post a link to a midi or to a music file or, again, to a video? Let's have a look first! :)

haoqh **Block User** Could you photocopy the score and send it to me? =D I feel inspired =)

nickmarwin **Block User** That was awesome!!! You know I fell asleep while hearing your music.

iraiscoming223 lol :) thx

haoqh **Block User** That was wonderful!!

iraiscoming223 thx! I'm glad it was helpful :)

iraiscoming223 Ok, I'll try.. Don't know when but I'll do! :)

stupidman3000 **Block User** can ya do it a little slower cuz ur hands arent so clear and hard to see the keys ya pressing...thanx

2defend1 **Block User** thanks 4 da tutorial. highly appreciated.

borishnokov **Block User** hey dude - just a thought, if you have a digital camera of some sorts, just take a high-res photo of each page and send it out as jpegs? (just for those guys that want the sheet music) probably quicker than scanning it anyway!

Nice song by the way

iraiscoming223 lol the most advanced camera I've right now is the 2mpx of my mobile (the one I'm using for this videos) :) Don't worry, I'm gonna scan the pages today! ;) see ya!

iraiscoming223 The score is online. you can find the address in my profile description (I posted everything there so it's clearer to find out whatever you want!) :D See ya!

Jackassbobby112 **Block User** Hey thanks for posting the video I know I asked for it long ago and I just checked your page today great!!! gonna try to tonight! thank-you
