Bravo! You have yourself another subscriber :)

[TheShanebrowne](#) [Block User](#) wow ! dats relly good, how long did it take ou to be dat good on piano[frozyt84](#) [Block User](#) this is so just like the original:) sir elton john would have been proud to hear this version i think:)[sgtbell4287](#) [Block User](#) impressive m8[Glassblower718](#) [Block User](#) good job !!![rockp0ison](#) [Block User](#) I love it. it's just perfect guy![ianapeixoto](#) [Block User](#) too fast... but nice job :)[phnphnphnphn](#) [Block User](#) awsome work![adarone](#) [Block User](#) HA i know this song from the end of the valentines day special of simpsons when apu was being a friggin G you played it well[fsusailor](#) [Block User](#) Very nice[DlnoMarchegiani](#) [Block User](#) That's fantastic!! 5 stelle[schmittifro](#) [Block User](#) wow nice job, but slow it down a little and put some more emotion into it =p other than that, WOW[humbug5678](#) [Block User](#) very true i tried singing along to it and lol didnt quite work but ill use it none the less :P[aevopler](#) [Block User](#) muy grande esta version crak![fsusailor](#) [Block User](#) Very nice[Nicole3412](#) [Block User](#) Good job! its a great talent, very attractive![martintresa](#) [Block User](#) hello!!! you are great!! please, how can I do to get this song sheet music?! I will be waiting for your answer so soon as you can. I am from Argentina. THANK YOU[Lollypooopz](#) [Block User](#) WOW..  
awesome page turning O\_\_o  
like a flash[219970](#) [Block User](#) Hello! Very good indeed. BUT one thing is that at around 1.00 i don't think you have it right - it should descend rather than stay the same. You hold it for three beats, when it should gently descend -

but apart from that , good!

[pianozac](#) [Block User](#) I have always wanted to play this but never felt motivated until I heard this. Much thanks. Beautiful.

[pauppau](#) [Block User](#) it's really beautiful, you're talented.. thanks for this moment

[93817787](#) [Block User](#) Tocada lindamente esta musica do Elton Jonh, um classico, que eu particularmente adoro, e gostei muito do jeito que o rapaz tocou, parabéns, mas não posso deixar de comentar a rapidas viradinhas que ele faz na partitura, ficou como uma marca do pianista. Leal, ficou ótimo.

[mag2b](#) [Block User](#) Very well played ... must be nice to have talent like that!

[chikatze](#) [Block User](#) oh, sorry, found it on your site. thanks!!

[chikatze](#) [Block User](#) oh, i love this song! can you tell me where to geht the musical scores?

[m0u53m4t](#) [Block User](#) Pretty good, but you should have a look at the bm/a and Bm/ab chords, you're just playing bm for all three of them so you're missing a key progression :(

[superahmazingnes](#) [Block User](#) I first heard this song in Moulin Rouge and LOVED it. You play it beautifully

N1NTENDOnerd [Block User](#) [show](#)

martiabr [Block User](#) what the hell are you talking aobut N1ntendonerd from my knowledge that piano can not be a player piano, players are much larger than normal pianos, due to soo much stuff it takes to make one work. so i think you should just shut the fuck us.

**iraiscoming223** really don't know! O.ò

Well, actually I haven't played the version on the score (even if it is the one I used to study) because I like to try putting my own stuff, my own way of listening to music in every song I play. (If you're asking yourself, didn't smoke any joint today :P I'm conscious of what I'm saying LOL)
