I wanna play this song too! :)

[AnAbstractMind](#) [Block User](#) I JUST started playing piano. And i wanted to know how to play this lol. So, it took a while to master the left hand, got the right hand pretty quick. And took a while to do the right with the left. But I did it in a week. I LOVE this song.

[chil182](#) [Block User](#) i wish i can see you in person. you are great

[DeniTopiky](#) [Block User](#) Beautiful, thanks....

[leveltonight](#) [Block User](#) way too fast

[s0bgrdkg0qy](#) [Block User](#) Better than me >.>

[joowoox](#) [Block User](#) fantastic! i did try to play it but i did not come so long =/ i hope i can play it some day^^

[dermitdermatte](#) [Block User](#) well, actually it's not as good as all the comments say. I think it's too fast and that's really not a sign for being a pro. And the ritandando at the end doesn't work well at the end. But it sounds good.

[MyDeathCookie](#) [Block User](#) very good... but it's a little bit too fast, i think... :)

[mesiik](#) [Block User](#) i agree with you in all points .)

[MalinFrida](#) [Block User](#) C'est juste magnifique :)

[lahliah69](#) [Block User](#) what are you TALKING about you're not very good? Your so fast!!

[Microcebus1](#) [Block User](#) Too fast. But nice job anyway.

[InnocentMalin](#) [Block User](#) Great ! Encore !

[dreamdayproject](#) [Block User](#) That is really nice!!

[Bulasz](#) [Block User](#) Huh.. I don't remember to comment this video... You play it so well!). But too fast, in my opinion...:-). And I'm not sure, but at the very end... didn't you spoil something?:P

[p1tre](#) [Block User](#) Very good indeed!

You play it much better than me, watch mine plz! and can you tell me the last few notes plz that end the song? :) plz?

Also my rithm aint as good as yours! especialy in the "fast" part!

5/5

[aniuSZka0rAma](#) [Block User](#) and the dynamics?  
the tempo is very fast O\_o 2 🍌

[gummybear27](#) [Block User](#) oh wow, you play so beautifully, im so envious of you. great work and keep it up!

[Vrsg](#) [Block User](#) D U D E this is amazing...the song is great but u play it great!!! just wanted to stand up and applause!!!

[VanillaIsland](#) [Block User](#) Molto bravo, complimenti!

[Stingtanga444](#) [Block User](#) wonderful.

Xtra999 [Block User](#) Really good! Maybe a little bit to fast, compared to the original one, but you don't have to play it exactly like Yann Tiersen, of course. Very good! 2 🍌

SebZa91 [Block User](#) Awesome!!  
5stars

Maijasilli [Block User](#) i can (Kinda) play this too!  
your so much better. don't you just hate the part where you make really fast on the wright hand and slow on the left > \_\_\_ >

iraiscoming223 no no I absolute love it!! When I first got the score I scroll down to that very part, and was the first I learnt. Love it!! :)

tiagocluiz [Block User](#) Cara fantástico!!!!!! Eu amo essa música!!!! Do you have the sheet music to send me?? Por favor!!!!  
Grato,  
Tiago Luiz

(btw I'm Italian ^^)  
Thanks for watching,  
Marco :)  
P.s.(I'm looking forward to watch your video soon, ok? :P)

Grafikbug [Block User](#) Very beautiful! Well done.

Soby [Block User](#) Lovely done.

Catyca [Block User](#) quando il video finisce e' insopportabile... dovrebbe esserci un modo di farlo durare un ora o due... anche all'infinito... un 'loop'? :(

Catyca [Block User](#) ..bellissima!! se chiudo gli occhi.. mi sembra di volare, mi sembra di correre in riva al mare e sentir l'acqua che mi bagna i piedi scalzi, mi sembra di capire tutto, di parlare coi fiori, di capire gli uccelli i gabbiani mi sembra che potrei parlare coi delfini e con tutto cio' che vive!!!  
Ti giuro, non ho fumato nulla, e non sono pazza!  
Le tue mani che suonano..le tue lunghe dita che sembrano avere 'vita propria'...sei bravissimo, le note sembrano 'ballare' con te...

Catyca [Block User](#) ... sono rimasta senza parole.  
puoi capire un silenzio...infinitamente 'commosso'??  
aggiungere qualunque altro commento, dopo averti ascoltato suonare la Comptine, e'.. impossibile

gaulchtailnn [Block User](#) Beautiful :)

cutemeout [Block User](#) dude, you're really good! the way your hands movie is so amazing... this is probably one of the best version of Comptine D'un Autre Ete that i've heard on youtube!

xooMelissaoox [Block User](#) hmm... i was wondering my new found YouTube friend,...If you would be able to send me over some sheet music (not literally, by e-mail of course...cyberspace is wonderful isn't it?:D)...If its too much, you can say so, but my little ol' piano storage seat is empty which is pretty sad:(, Adding some Yann would make it not look to shameful^^

iraiscoming223 Eheheh I'm not a real YouTube user... Just got back from the university and saw the mail notification in my mailbox! :P Anyway, if you look in my profile's description you'll find almost all the scores of the song played on YouTube... Check it out! ;) And let me know if everything works fine! See ya

xooMelissaoox [Block User](#) yup, know whats that like {with the uni... and the mail notification...:D} hmm, I checked out your profile and found the link, I also managed to look up the link to songs on YouTube...Only thing, I couldn't manage to find Yann's song..maybe Im not competent enough >.< hehe... maybe if I understood Italian it would be easier:)...hmmm..sorry to bug you.. its just the piano...its mesmerizing^^

xooMelissaoox [Block User](#) hehe, you can tell a regular youtube user when you see one^^...its awesome that you respond so quickly to comments :D

xooMelissaoox [Block User](#) Such a beautiful song, so emotive, I adore it... I also play piano^^.^. but mines outa tune :P lol...
