i go to an art school and one of the things i love noticing is how the instrumental majors have such well formed hands. strong but not stocky. just well proportioned and, i don't know, amazing. i am an art major and i love the human form-the muscles moving under the skin, the furthest stretches the skeleton can allow for...  
yeah.  
keep on playing beautiful music![SugarSprinkledKitty](#) [Block User](#) omg this song hurts my left hand when i play it haha 5 🍀[cremboit](#) [Block User](#) i hear you use the pedal, for the feet? but u dont need...[TheNameIsGilles](#) [Block User](#) Yes you do need the pedal[785poohbear1996](#) [Block User](#) This Is So Good.Like Amazing.

Do you like Tom Jobim Songs????

[KevinM2k9](#) [Block User](#) @Demluna  
Check out Kyle landrys cover as well, he doesn't simplify, he does the opposite

[b1ng0123](#) [Block User](#) just figured out that it translates to another nursery rhyme in english :) very good

[heymissyk](#) [Block User](#) This is great!! I've been determined to learn this whole song, but I only know up to 0:52 so far.

[IMB4L4ND](#) [Block User](#) Same here but the last part is the same as the beginning only 1 octave higher ;) so dont worry if u got the chorus you got the whole song :)

[Kater3000](#) [Block User](#) *Comment removed*

[roos878](#) [Block User](#) It's amazing!

Het is zoo goed, dat wil ik ook kunnen,

i love it!

[fr4gm4st3rcarr](#) [Block User](#) No worries; ik heb nooit pianoles gehad en ik kan'm op exact dezelfde manier spelen. Een week, kun jij het ook. Genoeg tutorials ^.^

[lo0kaC](#) [Block User](#) awesome

[dirkpsvfan](#) [Block User](#) Whaha, you're from Italy aren't you? At least that's what I think because of the siren you hear at the beginning. I was getting crazy of those annoying ambulance-sirens when I was in Napoli last year ;)

[gemgen101](#) [Block User](#) Is the left hand doing the same thing through out the whole song? is it a lot of strain on your left hand? and does it not bother the left hand after a while? its just i'm starting to play the song and practicing the left hand even 4 times hurts. does it take years of practice to get use to beign stretched like that/moving the fingers like that? is it a song not for beginners? i played on and off for 6 months now so i'm not really a beginner but i am

[mrzelda8](#) [Block User](#) ok well i dont play piano but my mate does and ive been playing around on it and learning this song only started going round his house like 3 weeksago and i can play up to before the fast arpeggio's lol and no strain for my left hand whatso ever and doesnt hurt at all... but im really not bragging here ok but im very musically telneted :^ so its probably just me - dont worry just keep trying ! you'll get it. i actually play guitar :P haha  
erm yea it is a pretty bug stretch i guess but meh ;)

[lifeswords](#) [Block User](#) awesome...im trying to play too :)

but i dont have a real piano =(

[Vinnilot](#) [Block User](#) oh my god :D  
ich kann bloß bis 0:52 spielen... dann bin ich aufgeschmissen :D

[Speritex3](#) [Block User](#) hatte das gleiche problem, was sich allerdings nach 2 tagen gelöst hat :D  
an deiner stelle würde ich einfach erstmal nur rechts spielen.. also den teil ohne begleitung  
und dann sozusagen in zeitlupe..^^  
das du es hinkriegst mit begleitung.  
Danach immer wieder ein ganz bisschen schneller. Mittlerweile kann ich den part auch ohne hinzugucken spielen \*freu

[davidcard05](#) [Block User](#) juepuuutaaa!!1 q temazo!11 maestro!!! en mi vida eh tocado un piano pero esta cancion definitavemente mueve mis adentros, mil gracias

[eiroight](#) [Block User](#) wait for the ambulance....ok now i can play 6 👍

[LITTLEwithoutrace](#) [Block User](#) ich finds voll schön o.o 2 👍

[Moorhendl](#) [Block User](#) tooooo fast!!!

[Igruszka](#) [Block User](#) that's pretty much how fast the original is played.

[IMB4L4ND](#) [Block User](#) I am actually learning this on keyboard this quite helped thank you :) (doesn't sounds as nice as on piano unfortunately:( ) Although you missed the rhythm in the chorus part...xD

[Scissorhands14](#) [Block User](#) i know how to play that...it's actually ratyher

simple since the left hand just repeat's itself over and over again and the right hand has well kinda only 4 part's-ish

[eiroight](#) [Block User](#) yeah, in a way it is simple, but i think at the beginning when your learning this you really have to practise to be able to keep the rhythm and not mess up, did you find difficulty at first when learning? 2 👍

[rushdude87](#) [Block User](#) very nice

[carolinasaif](#) [Block User](#) You are soooo good !!! WOW

[tonifak](#) [Block User](#) It was like I've been listeing to the cd soundtrack or sth like it you're very very good =] when I finally learned it I hope I'd play it like that too ^^

[musikmcr](#) [Block User](#) i've heard that it's quite easy.

[AngelsHaveNoPain](#) [Block User](#) toulk me about 1 week to really figure it out :D

[bosniaczek](#) [Block User](#) 1 week and that's it?! Is it possible for people who never play keyboard?

[jeniiferrx3](#) [Block User](#) Yes, it's possible. 3 👍

[AngelsHaveNoPain](#) [Block User](#) I did have a classical education and played saxophone for 7 years classical and jazz :D maybe it has to do with that, although I never got piano lessons. More musicians can play piano without ever really learning it :D

[moormannetje](#) [Block User](#) It isn't hard to play;).. just practice and you'll succeed... though you've played it with not much feeling. in the beginning it's great but after: not so great.

[Drama4Lifeness](#) [Block User](#) This is great! I love this song! How long did it take you to learn to play it like this? I would like to play it for our school talent show but auditions are in like 2 days. Haha. I guess I won't be playing it this year.

[Wladimirxy](#) [Block User](#) it will be hard to learn it until tomorrow but if you practise all the day and you're good it could work ;)

[r0o0m0y0](#) [Block User](#) You're good!! oh and beautiful piano!

[Larynxyn](#) [Block User](#) This is a relatively simple piece to play and yet it requires some kind of maturity to be played effectively. You obviously know every note by ear but not by the heart.

[satanisback](#) [Block User](#) I agree, he/she is rushing it. But well done anyway

[Oreno151](#) [Block User](#) no comment ...

0304051324 [Block User](#) right now my sister(13yo) is desperately trying to learn the part from 0:53 and as an old time hobby piano player I gotta tell you its pretty hard!

snuffelena [Block User](#) great. great. great.

LauraLucena [Block User](#) I think i wanna learn how to play piano just to play that song....

Love it <3

gmhmilenio [Block User](#) haha I know right?

It doesn't look extremely hard to play though, the background with the left hand is the same almost throughout the whole piece, so at least that's a relief there.

A friend of mine learnt this (and other pieces) watching youtube videos so there you go, all you need is a piano or keyboard and the will to learn and put time on it

LauraLucena [Block User](#) Hehehe. I got a keyboard a few weeks ago. Now i just need the time to learn how to play it.

robbe8889 [Block User](#) awesome !!

EndlessMelancholy [Block User](#) Thats one of the best versions i'd ever seen and heard... Excellent!!!!!!!!!!!!!! 2 

Shunzeu [Block User](#) agree 3 

Ballerina157 [Block User](#) I agree with xpaulmanx! I'm 12 and I have to play the beginning with two hands! It's so hard that way!!! But yeah, you have to slow down the beginning....

DiholyKehotra [Block User](#) . . . too awsome . . . XD 2

taylorswiftlovr100 [Block User](#) I THINK THIS IS A BEAUTIFUL SONG. 3

OuchByGriff [Block User](#) no feeling in the music... i cant feel it. NEEDS! the feeling... the soft fingers that bring out the feelings you should feel when listening to it. 7

chatoXvato [Block User](#) Shut up, You play it then.. I hate when people say shit has no feeling. I get what your trying to say, but all it really is, is timing. Once he gets that down, Hell get that feeling you speak of. 2

Adam8610 [Block User](#) Hey Buddy!

All in all, well done!

But, in my opinion, you're too fast and maybe the soundquality of your cam is not the best. But if you'd slow a little down, it'd be soooo great! Keep it on! 2

Laraandnickie [Block User](#) hey :D very good !!! i love this song

sjgutierrezmarquez [Block User](#) The sirens at the beginning of the piece compliment it beautifully... I really enjoyed your interpretation of this piece it is lovely just as is... I do not agree with the criticism from some of the others... beautiful music is meant to be enjoyed so don't tear it apart unnecessarily.

eveisabelhope [Block User](#) awesome!

Schmiti123 [Block User](#) Play it a bit softer .. otherwise it sounds to aggressive

raymondgroothuis [Block User](#) Really enjoyed this version!  
Please listen to my version too.

00dOrO [Block User](#) WOW!!!!!!!!!!!! sounds really good!!!

Clemsoad [Block User](#) I like your hands !! beautiful song !

espe221962 [Block User](#) is a beautiful song

psiblack [Block User](#) GREAT NICE WORK 4

phi0w666 [Block User](#) sounds about right, doesn't look right though.  
strange RH, why do you play 212 instead of 321 in the first motive and 34 instead of 45 in the third? of course it's easier your way, but shows lack of technique.

[oOMontanaOo](#) [Block User](#) love it !!!!!!!! 4 

[PaintItOrange](#) [Block User](#) my gosh.  
its real hard for me to play songs where my left and right hand are playing  
such different melodies. 6 

[Speritex3](#) [Block User](#) Nice job :D  
im able to play this but the  
only thing i can't play is the part  
where it goes so fast with the  
right hand :S 3 

[hollylawton13](#) [Block User](#) same here becuz the whole song is repetitive i  
can play the first page nd the 3rd but not the second or the 4th ... but im  
working on them

[AakwardAardvark](#) [Block User](#) same here i can play it but poorly, check  
out my video for sympathy :-|

[TheWoap](#) [Block User](#) amazing you got a talent. keep it up!

[SERSUFFOCATE](#) [Block User](#) Hmyeah, I can play this one too, but not  
flawless.

[DunkEngel](#) [Block User](#) AWESOME!

[G3rt56](#) [Block User](#) I also want a piano to learn this composition..

[drecksyutube](#) [Block User](#) damn I wanna have the midi file of this song but  
I cant find it in google -\_-

[Cyanide20](#) [Block User](#) this is beautiful. i dont care what anyone else says  
about feeling or speed; i think you played this perfectly. 2 

[bellabelliboo](#) [Block User](#) beautiful!! this almost brings tears to my eyes...  
Any chance you might do a tutorial?  
greetzz 5\*

[OnlyLiveYourLife](#) [Block User](#) I love that film and the soundtrack.  
You play very well!!

[DoYourOwnThingx](#) [Block User](#) (y)

[Shunzeu](#) [Block User](#) just love this song!  
Its so hard to combine both hands =(  
I can play each hand separately but thats not the point at all...  
any tip on how I should do next?

[LukehDukehDoo](#) [Block User](#) Just keep practising tbh, I had the same  
problem and I just kept working at it. I can sort of play them both together  
now, not great, but its a start :) 4 

[LukehDukehDoo](#) [Block User](#) \*That was for Shunzeu\*

:P

[Shunzeu](#) [Block User](#) thanks so much for your reply Luke  
Ill take your advice and finish my work :D

[Fitski18](#) [Block User](#) you really have the skills.

you're so good.  
I want to learn this So bad.

But you're playing it to fast to learn it from this video.  
But it was wonderful!  
Great job!

Holland.

[noekjuuhh](#) [Block User](#) er zijn ook video's waar ze alles 2x doen en  
langzaam, zodat je het kan overnemen, en ook kan leren, daar heb ik het  
ook van ;d  
xxx.

[Fitski18](#) [Block User](#) *Comment removed*

[Fitski18](#) [Block User](#) vergeten erbij te zeggen, maar ik kan hem nu alleen  
nog niet het hele snelle stuk op het laatst. ik kan dat wel apart mar nog  
niet samen );  
heb je daar ook een site voor?

[mukotto](#) [Block User](#) merci

[ch0upii66](#) [Block User](#) Bonjour . POurait Vous me dire OU Vous VAVez  
Trouvé cette partition S'il Vous Plait . Merci .

[roxy22star](#) [Block User](#) THANK YOUUUUUU

[wrath687](#) [Block User](#) Very well played :D it was beautiful :)

[catacracxi](#) [Block User](#) Gracias.

[ranyama](#) [Block User](#) o o  
O

[Irockthebach](#) [Block User](#) SKILLZ

[bmjake](#) [Block User](#) fly is unzipped at the beggining!! HAHAAAAHA

[sinfuldude10](#) [Block User](#) Pretty good... however I feel like u can do much better if u slow it down a bit.... kinda seems like u go crazy on the part that is supposed to go semi fast. Good job overall

[pianoandpoker4life](#) [Block User](#) am tryna learn ths don't have a clue how i've been playin 4 1 year...  
yann tiersen is definetley one of the greatest modern composers (in modern i mean alive now)

[Gava1605](#) [Block User](#) I love this song is so beautiful. i wish i could do the same with my fingers :(

[ese234](#) [Block User](#) one question, which is your site?

[rikitikitak](#) [Block User](#) well played

[smgreat1](#) [Block User](#) dammit, the sheet music that i have has a few mistakes... plus it doesnt even have the last chord...  
Im finding it hard to move my thumb so quickly in the quick part too

[VisualMaster94](#) [Block User](#) has someone the sheets for me T\_T

[mrdederi](#) [Block User](#) I can also play. It comes from the film "Amelie".

[marceloramires](#) [Block User](#) what's the siren sound at the beginning? traffic noise? whoa 2 🍌

[Djsora555](#) [Block User](#) i love this song <3  
very nice piano i love the clean sound <3

[DreamFlightt](#) [Block User](#) zuchttt..

I can play everything together except fot that fast piece. I can play it, but not together :( When i am finished that i can play the whole song :D en yes the two hands together is difficult, but keep practising :DD

[marceloramires](#) [Block User](#) any tips on learning how to play the both hands? can play this entirely... separated. (plz say sth different from practsing =( ) haha

[DreamFlightt](#) [Block User](#) Just practise very slow. And yes it is boring haha but yeah when you can play it very slow you can bild (how do you write that? :P) up speed.

I thought that i couldn't play that ever! But yes don't give up! You can play it :D

I noticed that every time I play the fast thing I can play it better. It isn't it allready but everytime helps! Really.

Good luck haha

[marceloramires](#) [Block User](#) it would be "build" i guess (i'm brazilian) well, thank you, practsing already!  
got any progress in both hands in the fast part? :D  
cheers

[DreamFlightt](#) [Block User](#) Haha yes that's it :) (I am Dutch)

En yes i can almost play it :D  
So a good day of prictising and it is done :D  
En then... I don't know it is hard to find something you can play on a keyboard that hasn't the full length, so before i can play anything i have to look at that first.

But I will buy a elektric piano soon :D

[marceloramires](#) [Block User](#) yeah.. i'm practsing in a keyboard too, maybe i buy a piano sometime soon (still learning, but very excited) yesterday i got some part with both hands right after comenting in here.. haha.

[lostinspase1](#) [Block User](#) endurance

[marceloramires](#) [Block User](#) i'm sorry? i didn't understand what you said.. i mean, what do you want to say with endurance?

[lostinspase1](#) [Block User](#) you said is there another way to get better at playing this song. "and don't say practice," endurance is just another way saying keep on practicing. so there it is another word. I am trying to learn this song too. I just started yesterday.

[marceloramires](#) [Block User](#) hahaha.. okay  
i'm getting better though  
i've never played keyboard/piano before, this is the first song i'm learning (i know i should have started w/ sth easier) anyways.. thank you

[EmzySquared](#) [Block User](#) Brilliant! Where do you get the sheet music from for free????? 3 🍌

[XOnonow](#) [Block User](#) You are so talented! 2 🍌

[j00stie](#) [Block User](#) although this one is great, check out kyle landry's cover

[isausol](#) [Block User](#) I just worked this piece out by ear, and when I watched this video and found that I had got it correct, I was elated. Thanks for this!

OhrbootenFanNo1 [Block User](#) wunderschönes Stück. =) etwas gefühllos gespielt =( lass deine trauer raus bei so stücken. schwer zu spielen ist es ja nicht ;) trotzdem wundervoll. hab gestern die noten online gefunden und heute kann ichs flüssig... sooo toll

davidhinteresq [Block User](#) needs more feeling and dynamics, but great work.

schimmelbimmel [Block User](#) more feelings please! 3 🍌

WaffenJunker [Block User](#) man... ich bekomme das mit dem rechts und links spielen nicht hin.

hmmpf...

LorenzoGalloni [Block User](#) bravissimo...forse un po' troppo veloce...ma la suoni benissimo!!!

fmenic [Block User](#) TOO FAST...

Caitiej31 [Block User](#) That was amazing, very good work. Definitely going to study this video so I can learn it too.

jayrocksmesa [Block User](#) For me also the best cover so far.

opiniebeschrijver [Block User](#) You're really good, if you buy a professional microphone and recording stuff then you are at least as good as Yann Tiersen ;) )

jessikaS193 [Block User](#) if only I could stretch my fingers that far.. \*sigh\*

Yellow24y [Block User](#) improvise?

valelu16 [Block User](#) anch'io la so fare...Adoro questa canzone!

Zombiemode1 [Block User](#) Bravo : ] 2 🍌

FallenAngelDilara [Block User](#) [show](#)

ricepattie [Block User](#) not really that hard to play

dignosco [Block User](#) this is the best cover I've heard so far. 5 stars 2 🍌

neushaartje1 [Block User](#) good job, I'm going to study it too =)

MennoX90 [Block User](#) adoro questa composizione e tu la suoni davvero bene bravo :)

marcuslovewow123 [Block User](#) SUPER

E poi , togli lo ogni tanto il piede dal pedale che amplifica i suoni ....  
PS : le pause falle ... te le salti !!!!!

isabigs [Block User](#) way to fast but stil nice

Edi1994 [Block User](#) Realy good =) I'm gonna play this song too, on my new (1930) Burger&Jacobi piano that will arrive Friday. Hope I can play it as good as you do after I practice a lot!

Good job!

Jahn1234 [Block User](#) sry aber du spielst das sooo komisch ohne jegliche intonation das kann man viel tragischer und dramatischer sspielen!

[pologiovani](#) [Block User](#) Are you supposed to use the any pedals on this song? It sounds like this person did, and I do as well, but many of the versions I hear are a bit more staccato. I use the pedal b/c my pinky's aren't long enough to hit the notes with a bit of carry over.

[TobiLaatsch](#) [Block User](#) perfect

[RICHIEWALLS](#) [Block User](#) you're very good but it's very fast and i can't see left hand

[123ElijahGoesPee](#) [Block User](#) grrrr

If I had your long fingers...

:[

[MaitreEauEau123](#) [Block User](#) Comptine is a little song  
"D'un autre été" means of another summer  
L'après-midi : the noon

So : "little song" of another summer : the noon

[Sheepliner](#) [Block User](#) "après-midi" means : afternoon

[MaitreEauEau123](#) [Block User](#) Ya sorry! xD

[millilein14](#) [Block User](#) when you play it looks soo easy ... but i've tried and its sooo difficult .. one hand alone is possible .. but boths hands together is not manageable .. xD

[tabigyerek](#) [Block User](#) yeah, it's too fast, but not bad, not bad... :)

[nightmarecooki](#) [Block User](#) I want to say that YOU PLAY IT TOO FAST!!  
The rythum(?) must be 100%

[uneedhelp2](#) [Block User](#) it is. That's what the sheet music says... lol.

[irelu1993](#) [Block User](#) Comptine D'un Autre ete means:  
Nursery rhyme of another summer

but I'm not French or English so maybe it isn't exactly the right translation  
:)

[liekehsvd](#) [Block User](#) l'apres midi means: noon  
i dont now what the rest means

[YumixKumiko](#) [Block User](#) God ! You're pretty good ! Simply perfect .

Thanks for the cam. position!

[FunkehMunkehXP](#) [Block User](#) this is truly amazing. as a beginner pianist,  
it blows me away to see both ur hands play at the same time..awesome  
job, one of my favorite songs:(

[ChronoMagnium](#) [Block User](#) I was pretty fascinated by it when I started  
too, you just get the feel for it as you practice ;D

[FunkehMunkehXP](#) [Block User](#) lol i can't wait till i get to that point. then i  
could play songs from my own fingers =]

JenPunz [Block User](#) i'm playing the piano for a month now.

macbaron4 [Block User](#) Beautiful. You have a very elegant touch. I wish my hands were large enough to play the left portion with my middle finger, but early onset arthritis is worth it to play this piece.

t4yl0rd [Block User](#) well well well... this is not an easy song to play... differents tempos in each hand, really hard sincronitacion, i've seen lot of people trying to performance this song, and believe me, just a few get it, 'cause its really difficult... anyway more practice, and dont give up... nice performance... next try to include feelings, in this kind of music is very important... SEE YA...

svenja2194 [Block User](#) bad playing and there's no piano and forte it's just boring to listen there is no feeling sry but that's could be better

001hinata001 [Block User](#) finally one where the song isnt slowed down to a retarded level!

FragilBlackRose [Block User](#) Oh my god, amazing!

Boloo25 [Block User](#) Just Amazing,  
It's soo wonderful to see and hear.  
Sweet melody and a particular exeptional hand skill,  
By personal expirience I feel it hard to combine by fast right and slow lefthand.

Enjoy :)
