

This is for you (A te) - Music by Jovanotti – Lyrics by Iraiscoming223

LA MI
This is for you, the only one, the reason I'm alive
FA#m LA
The reason every single breath touches the top of my lungs
RE LA
And every time I look at you after a busy day
Sim7 MI
It seems the pains are passing off and you want me to stay
LA MI
This is for you who saved me when I was sick and scared
FA#m LA
without a weapon nor a strenght I was ready to fight
RE LA
I left my willings passed away, looking at the ground
Sim7
Don't ask me why, but there it is
MI
the reason I've been found

LA MI
This is for you, it's just a song, to help show I care
FA#m LA
'cause I would give you everything, everything I've ever had
RE LA
So take my time and show your feelings in a single moment
Sim7 MI
We'll fly so high, over the clouds, in our sweetest dream

RE LA
This is for you, for everything you do
Sim7 MI
'cause You fill up all my days, 'cause you can paint all my dreams...

Sib FA
This is for you, my gratest love, among the loves the greatest
SOLm FA
You took my life along with you, and lifted it to the sky
Mib Sib
Giving a meaning to the time without want me to pay
Dom7 FA
This is for you, my gratest love, among the loves the greatest
Sib FA
This is for you, I've seen you cryin', I've felt like you were dying
SOLm FA
So weak, so small I could have hurt, in the sweetest embrace
Mib Sib
But then you turn into a storm, winning the hardest race
Dom7 FA
Taking your life, both hands on it, and you brought it to safe

Sib FA
This is for you, who shared with me both adventures and dreams

SOLm FA
You that are brave and both hard, but you use to feel fear
Mib Sib
For you, the best thing ever happened in the last ten years
Dom7 FA
For you who live every new day without a paining tear

Mib Sib
This is for you, for everything you do
Dom7 FA
'cause You fill up all my days, 'cause you can paint all my dreams...
Mib Sib
This is for you, and no one else but you
Dom7 FA
'cause You fill up all my days, 'cause you can paint all my dreams...

DO SOL
Because you seek some satisfaction but you can't see you're great
Lam DO
I guess the Lord should have spent much time in early days [on you those days]
FA DO
You're like a storm, you're like the sun, you are my little flower
Rem7 SOL
You are the horizon I love to see, you're like a long warm shower
DO SOL
It's everything, it's not just love, you are my greatest friend
Lam DO
The only one I'd like to have if you weren't with me..
FA DO
Because you turned all my life and feelings upside down
Rem7 SOL
We passed through some hardest times but, after all, was great!
DO SOL
This is for you, my gratest love, among the loves the greatest
Lam DO
You took my life along with you, and lifted it to the sky
FA DO
Giving a meaning to the time without want me to pay
Rem7 SOL
This is for you, my gratest love, among the loves the greatest

FA DO
This is for you, for everything you do
Rem7 SOL
'cause You fill up all my days, 'cause you can paint all my dreams...
FA DO
This is for you, 'cause I do love just you
Rem7 SOL
'cause You fill up all my days, 'cause you can paint all my dreams...
