

Sarah McLachlan - Angel

Spend all your time waiting for that second chance
D#m F#
C# F# G#
For a break that would make it okay
D#m F#
There's always some reason to feel not good enough
C# F# G#
And it's hard at the end of the day
D#m F#
I need some distraction, a beautiful release
C# F# G#
Memories seep from my veins
D#m F#
Let me be empty, oh and weightless, and maybe
C# F# G#
I'll find some peace tonight

CHORUS:

C# E#m
In the arms of the angel, fly away from here
F#
From this dark, cold hotel room,
C# G#
And the endlessness that you fear
C# E#m
You are pulled from the wreckage of your silent reverie
F#
You're in the arms of the angel,
C# F# G# C#
May you find... some comfort here.

VERSE 2:

D#m F#
So tired of this straight line, and everywhere you turn
C# F# G#
There's vultures and thieves at your back
D#m F#
The storm keeps on twisting, you keep on building the lies
C# F# G#
That you make up for all that you lack.
D#m F#
It don't make no difference, escaping one last time
C# F# G#
It's easier to believe
D#m F#
In this sweet madness, oh this glorious sadness
C# F# G#
That brings me to my knees.

CHORUS:

C# E#m
In the arms of the angel, fly away from here

F#
From this dark, cold hotel room,
C# G#
And the endlessness that you fear

C# E#m
You are pulled from the wreckage of your silent reverie

F#
You're in the arms of the angel,
C# F# G# C#
May you find. ... some comfort here.

C# F#
You're in the arms of the angel,
C# F# G# C#
May you find. ... some comfort here.
