

## Music & Lyrics : Don't write me off (Just yet)

*Tempo: 63bpm*

Intro: D# D#

C# F-  
It's never been easy for me  
F# G#  
To find words to go along with a melody  
C# C#7 F#  
But this time there's actually something on my mind  
Ebm F# G#  
So please forgive these few brief awkward lines

C# Bbm F-  
Since I met you my whole life has changed  
F# G#  
It's not just my furniture you've rearranged  
C# F#  
I was living in the past but somehow you've brought me back  
Ebm F# G#  
And I haven't felt like this since before Frankie said relax

Bbm F# C#  
And though I know based on my track records  
Ebm F#  
I might not seem like the safest bet  
Ebm 1x F# 1x G# C#  
All I'm asking you is don't write me off just yet

F# C# F#

C# Bbm F-  
For years I've been telling myself the same old story  
F# G#  
That I'm happy to live of my so-called former glories  
C# C#7 F#  
But you've given me a reason to take another chance  
Ebm F# G#  
Now I need you despite the fact you've killed all my plants

Bbm F# C#  
And though I know I've already blown more chances  
Ebm F#  
That anyone should ever get  
Ebm 1x F# 1x G# (pause) C#  
All I'm asking you is don't write me off just yet

F#

G# C#  
Don't write me off just yet

F# G# C#
